DEHS Launches E-Plan Submittal Process

San Bernardino: The County of San Bernardino Department of Public Health, Division of Environmental Health Services (DEHS) is now offering operators the option of submitting plans electronically. Plans may be submitted by email to ehsplanreview@gmail.com.

Although this process is not mandatory, there are a number of advantages for operators who submit plans electronically. They will save money on printing costs, and will avoid having to pay for postage to mail the plans. Additionally, the turn-around time for operators to receive a decision on a plan will be much faster.

At this point in time, fees are still paid in person or by mail. DEHS is in the process of creating a system where operators can submit plans and pay fees through an online portal.

For more information, contact the County of San Bernardino Department of Public Health, Division of Environmental Health Services at (800) 442-2283 or visit our website at www.sbcounty.gov/dehs.
